USC Department of Public Safety Recommendations – Robbery

- If you are the victim of a robbery remain calm and *do not* resist. Assure the robber you will cooperate and take no action that may jeopardize your safety. Do not make any quick or unexpected movements. Follow the robber's direction, but do not offer more than they ask for. Don't argue with the robber. After the robbery, go immediately to a safe location and report the crime. For the University Park Campus (UPC) call DPS' emergency line at (213) 740-4321, for the Health Sciences Campus (HSC) call (323) 442-1000, or the LAPD at 9-1-1.
- If you observe a crime in progress, **STAY CALM AND CALL** DPS' emergency line at the University Park Campus (UPC) (213) 740-4321, or for the Health Sciences Campus (HSC) call (323) 442- 1000, or the LAPD at 9-1-1. Do not attempt to apprehend any suspects or perpetrators of a crime. Do not walk alone; travel in pairs. Avoid using cell phones or other technology as criminals target inattentive individuals using them. Your personal safety and the safety of others around you should be your primary concern.
- **Be a good witness:** It is important to recall what you observed and provide as many details as possible to law enforcement such as: the sex, race, age, height, hair color, clothing, tattoos, scars of any suspects and a description of the make and model of any vehicle used in the crime and its license plate if possible.
- **Get a Ride:** If you work, study or take classes at night, you don't have to walk to your car or home alone. USC's Campus Cruiser will take you to your destination. If wait periods exceed 15 minutes, calls are automatically outsourced to Uber, which you can take for free, ensuring you'll never have to wait long for a safe ride home.
- **Blue light emergency phones** are located throughout the University Park and Health Sciences campuses. The phones are connected to the USC Department of Public Safety's 24-hour communications center
