*“Help fight crime by reporting suspicious persons and/or activity to USC DPS immediately. Please note that race, ethnicity, gender, and/or religious affiliation are **NOT** considered the basis for suspicion; only behaviors are considered suspicious.”*

**If you are in immediate danger, call the LAPD at 9-1-1 or DPS at (213) 740-4321.**

If you have information relevant to the crime(s) call the Department of Public Safety (DPS) at (213) 740-6000 or the LAPD Southwest Division at (213) 485-6571.

The Department of Public Safety (DPS) issues Crime Alerts to the university community when a criminal incident occurs in USC's patrol and response area which represents either a serious or continuing threat to the safety of USC students and employees. The purpose of this warning is to aid in the prevention of similar crimes by alerting the community about the incident so they may make informed decisions about their personal safety.

**USC Department of Public Safety Recommendations – Burglary**

- If you observe a crime in progress, or discover your dwelling has been burglarized go to a safe location and call DPS emergency for the University Park Campus (UPC) at (213) 740-4321, for the Health Sciences Campus (HSC) call (323) 442-1000 or the LAPD at 9-1-1.
- Be a good witness: It is important to recall what you observed and provide as many details as possible to law enforcement such as: the sex, race, age, height, hair color, clothing, tattoos, scars of any suspects and a description of the make and model of any vehicle used in the crime and its license plate if possible.
- **Do not attempt to apprehend any suspects or perpetrators of crime**. Do not walk alone; travel in pairs. Avoid using cell phones or other technology while walking as criminals target inattentive individuals using them.

**Other options to contact DPS and to receive information:**

- **Blue light emergency phones** are located throughout the University Park and Health Sciences campuses. The phones are connected to the USC Department of Public Safety's 24-hour communications center and identify the phone location if the caller is unable to speak. The phones can be used to request help, an escort, report suspicious activity, and to report crimes.
- **Security Ambassadors**: In addition to DPS officers who patrol a 2.5 mile radius around USC's campuses, USC contracts with "Security Ambassadors" to patrol street corners in nearby neighborhoods and to observe and report crime and suspicious activity. This security force wears bright yellow jackets so you can easily spot them. If you need assistance, look for a Security Ambassador.
- **Get a Ride**: If you work, study or take classes at night, you don't have to walk to your car or home alone. The USC Campus Cruiser will take you to your destination. If wait periods exceed 15 minutes, calls are automatically outsourced to **Lyft**, which you can take for free, ensuring you'll never have to wait long for a safe ride home
- **LiveSafe APP**: To quickly make emergency push button calls to DPS or 911 on your mobile phone download the **Trojan Mobile Safety APP "LIVESAFE"** from Google Play or the Apple iTunes Store. For more information regarding LIVESAFE visit <https://dps.usc.edu/services/safety-app/>.
- **TrojansAlert**: Register for USC's emergency notification system **TrojansAlert** to allow university officials to contact you during an emergency by sending messages via text message and email. For more information visit: <http://dps.usc.edu/services/trojans-alerts/>.
