Cameras
Install a smart security camera at your front door.

We're a tight-knit community at USC, and we all contribute to keeping our campuses safe. There are times when you may notice someone acting suspiciously on campus or in the surrounding areas. Please report any suspicious activity you see, and we'll investigate the situation.*

*Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion.
