

WAIT DID YOU LOCK YOUR DOORS?

Please help DPS protect you and prevent burglaries by:

- Keeping your doors closed, even when leaving for a short while or visiting a friend down the neighborhood.
- Always secure your room, windows and balcony doors when leaving or retiring for the night.
- If you are away for a long period of time, give the impression that you or your roommates are at home by leaving lights on, a TV on, or music playing. But not too loud, you don't want to disturb your neighbors.
